Dear Angie,

I am writing regarding a colleague of yours, John Hogan. John attended our office meeting today in order to give us an overview of the sort of work that can be done by CAN and a basic drugs awareness presentation. I wanted to write to thank you and John for making the time to attend our meeting. John presented the information to us in a positive, enthusiastic way, and held the attention of the approximately 30 staff present for the duration of the hour meeting. After John had left, a lot of staff continued to talk about how interesting John's talk was, and many people asked if he could come back for a whole day course as well! It was really valuable, and has certainly received the most positive staff feedback of all the speakers we have dealt with!

Thanks again for your support,

Sharon Jones
