Dear Mr. Daly,

I am writing to you to let you know of the excellent talk John Hogan gave when he came to 1st Irthlingborough Scouts on Wednesday.

He kept their attention for well over an hour, answering their questions with out patronizing and getting a very serious message across with humour. The statistics were amazing and put across in such a way that the kids took the information on board.

I understand that John is changing jobs in the near future, he will be a hard act to follow.

Thanks again for you organizations help in providing this talk for the Scouts.

Regards,
